

Solar Referral Program Terms and Conditions

1. You (the referrer) must already have had a solar electric system installed by McNae Group.
2. The person referred (the new customer) must be a new person that McNae Group has not met before and does not exist in our database.
3. The reward consists of a \$100 VISA Prezzy card for the referrer and a \$100 VISA Prezzy card for the new customer. McNae Group reserves the right to substitute alternative rewards of equivalent value at its discretion.
4. There is no limit to the number of referrals that can be made or to the rewards that can be collected.
5. McNae Group will accept a referral when the new customer mentions that he or she was referred by the referrer. Notification of the referral to McNae Group must occur before the solar electric system for the new customer is installed. To avoid confusion, the preferred method is for the new customer to present a valid McNae Group Solar Referral Card that bears the name of the referrer and the name of the new customer. McNae Group may verify that the new customer was referred by the referrer. McNae Group reserves the right to determine referral eligibility and to disqualify at its discretion.
6. A referrer may not refer themselves.
7. Rewards only apply where the new customer installs a solar electricity system with a size of 6 or more solar panels, at a place within the geographical location where McNae Group works, and the system has been installed within 12 months of the referral being made to McNae Group.
8. The reward will be paid once the new customer's system is installed and the system has been paid in full.
9. Only one referral reward per new customer. If multiple referrers refer the same new customer, McNae Group will ask the new customer which referrer should receive the reward.
10. McNae Group will not withhold any taxes. The referrer is responsible for determining tax liability (if any) in connection with a referral reward.
11. McNae Group cannot replace lost or stolen rewards. The VISA Prezzy cards have an expiry date printed on the card and require activation upon receipt. Rewards are not redeemable for cash.
12. The new customer reward cannot be combined with any other McNae Group offer or discounts, however the referrer reward will still be paid where the new customer chooses a different McNae Group offer or discount (if any such offer or discount is available at the time of referral).
13. The terms and conditions of this promotion are subject to change at any time without notice.
